EDUCATING UNDERPRIVILEGED CHILDREN GLOBALLY

Dated: January 15th, 2018

We invite you to join us in our annual fundraiser on Friday, April 13th, 2018 at Rockleigh country club, Rockleigh NJ.

DIA is a 501c3 non-profit organization established in 2010 and based in New Jersey. Our goal this year is to send two hundred underprivileged children to school in 2018.

In the last eight years we have supported various projects such as:

- Locally, our youth members have been engaged in various community service and volunteer programs such as visiting the elderly, building homes with Habitat for humanity, and holding food drives and toy drives.
- Collaborating with Sunrise Development in Englewood to provide shelter to families with single mothers.
- Collaborating with Center for Food Action to do Food Drives.
- For the last three years, DIA has sent over 550 snack packs in New Jersey to children suffering with weekend hunger through CFA.
- Providing educational supplies to an inner city school of Detroit (Law Academy)
- Taking care of the education for 21 children in an orphanage in Dharipur, New Delhi, India. (Donated Laptops, school supplies, heaters for classrooms and provided them with tuition money).
- Organizing medical screening camps for disabled and underprivileged children in Mumbai (India).
- In Collaboration with LOT (Light of Life) every year we pay for the education and vocational training of 40 children in rural areas of Mumbai, India.
- Education for girls has been supported in collaboration with Shakti in New Delhi, India.
- Collaborated with Saraswatha Academy high school located outside Gowlipur, Hyderabad. The school provides English medium education to children belonging to poor and below the poverty line.
- Each year we have been sponsoring education for underprivileged children in Karachi.
- In 2017, we were able to sponsor education for 150 children and the number keeps growing.

These are just some of the ways our organization has worked to educate and improve the lives of underprivileged children around the world. It is heartbreaking to say no to a child because of lack of funds.

Please help us educate these children and give them a brighter future! Thank you for your support and generosity. It will make a huge difference.

Respectfully,
